## **SERVICEMASTER BY DISASTER PROFESSIONALS ADDS PREFERRED BUSINESS SERVICE**

PHOENIX, AZ JUNE 15, 2011: ServiceMaster by Disaster Professionals has recently added a new service to their offering menu. This commercial recovery program provides protection for a business that may experience an unfortunate event. As a member of this free program, if a business experiences any type of disaster, they call ServiceMaster by Disaster Professionals and immediately are put at the top of the priority list. A representative will respond within 5-10 minutes and serve as the single point of contact for organizing and coordinating the efforts to bring a business back online as quickly as possible. Because key information about the business has been obtained in advance, ServiceMaster by Disaster Professionals can react and respond with the correct equipment and tools necessary to remediate the situation in record time. In some cases,

businesses experience no loss of revenue or downtime. This free program is a superior way to insure a business is protected in the event of a flood, fire or other type of catastrophe.

ServiceMaster by Disaster Professionals is part of the ServiceMaster Family of Brands, one of the largest and most versatile service networks, with locations in the US and Canada as well as 40 countries around the world.
